Summary

A motivated and driven software engineer with a background in events marketing who is now developing applications on the web. When the smallest details matter and deep problem solving is needed, I am that go to person. As a programming graduate, I strive to learn something new every day and tackle any challenge and languages head on.

Skills

- | | | | |
|--------------|----------------|------------------------|--------------------|
| • Javascript | • PostgreSQL | • Redux | • Heroku |
| • React | • HTML & CSS | • AJAX | • Jest |
| • jQuery | • Axios | • Agile Methodology | • State Management |
| • Node.js | • APIs | • Adobe Creative Suite | • Authentication |
| • Express | • Git & GitHub | • Testing | • SQL |

Projects

Mind Your Fitness - April 2021 - [Demo](#) | [GitHub](#)

Built with: Javascript – CSS – React – Node.js – Express – PostgreSQL – Knex

- Designed a full stack workout logging application using React.js connected to a Node/Express server
- Authored a JWT authentication login system using the applications local storage issuing bearer tokens
- Managed all queries on the back end using the Knex building tool for a 20% reduction in development time.

GitHub Finder - February 2021 - [Demo](#) | [GitHub](#)

Created with: Javascript – CSS – HTML – React – GitHub API

- Developed a GitHub users search application using React with Hooks reducing front end code by 25%
- Addressed global state using React Context to pass data into 100% of the required components
- Applied Axios for HTTP request calls to the GitHub Users API to increase browser support by 20%

News of Yesteryear - December 2020 - [Demo](#) | [GitHub](#)

Developed with: Javascript – CSS – HTML – jQuery – Library of Congress API

- Produced a jQuery based web app to search and receive digitized scans of old newspapers dating from 1789-1963
- Achieved HTTP request calls to the Library of Congress API using the ES6 fetch method

Education

Software Engineering Flex Program • Thinkful - Brooklyn, NY - October 2020 - April 2021

Professional Experience

CANON USA INC. Events Management Specialist • Melville, NY • October 2012 to May 2020

Leveraged leadership expertise to direct all aspects of major media and trade show events yielding 85% increase in market share

- Led teams of up to nine for major events such as *Super Bowl*, *Kentucky Derby* and *Indy 500*
